If neither the requested information nor a motion for an extension of time is filed by the stated date, the case may be dismissed.

1. On the construction drawings filed with the PSC on November 14, 1984, a proposed water main is depicted in Gallatin County. If construction is to occur in Gallatin

County and residents of Gallatin County are proposed to be served by Bullock Pen, then the appropriate area of Gallatin County must be annexed in accordance with KRS 74.110. Provide the Gallatin County Court Order annexing the appropriate area to Bullock Pen. Also provide a description of the boundaries of the annexed area.

2. Waterline construction is also proposed in Pendleton County. The application states that the Pendleton County Court Order entered on January 31, 1977, annexing the appropriate area to Bullock Pen has previously been filed with the Public Service Commission. However, the staff has been unable to locate this Court Order in the Commission files. Provide a copy of the Pendleton County Court Order entered January 31, 1977, annexing the appropriate area to Bullock Pen.
